

European Association for Machine Tools, Tooling and Technologies

Dear Sir/Madam

CELIMO International Meeting and Networking Lunch - Wednesday 20th September 2017

On behalf of Mr Johan Meert, President of CELIMO, I would like to invite you and your colleagues to our International Meeting and informal networking lunch which will be held on **Wednesday 20th September**, during the EMO Exhibition in Hannover. The room will be open from 11.00am with the meeting starting at 11.30am.

We are inviting company and Association representatives who are importers, distributors or manufacturers, from around the world. The meeting will include presentations on the activities of CELIMO and the state of trade and industry trends in Europe, Japan, the USA and India.

An important feature of this event is the informal lunch that CELIMO will host following this meeting, with the opportunity to continue the discussions and to meet with colleagues from the industry. If you are unable to attend the presentations, we would be delighted to welcome you to the lunch.

This event will provide an opportunity to meet colleagues from around the world and to network together; through this, we hope we can all gain a better understanding of the changes which are taking place in the global market, driven by developments in technology, the uncertain economic climate and changing customer requirements.

I very much hope that your Company/Association will be represented at this meeting and lunch reception. I would be grateful if you could complete the attached reply form and return them to me, **as soon as possible**, so that we can finalise the arrangements for the meeting and lunch, both of which will be held in the Convention Centre on the Hannover fairground. On receiving your reply, we will provide you with details of the venue.

I look forward to hearing from you on this matter and to welcoming you to EMO in September.

With best wishes.

Yours sincerely

Geoff Noon
CELIMO Secretary General

Note: If you would like other colleagues to attend the CELIMO International Meeting and/or lunch, please copy the form and return it to us.
